WORK EXPERIENCE

Web Development Intern & Team Lead — Tech Studio Academy

May 2025 – July 2025 | Lagos, Nigeria

- Led a cross-functional team through the partial redesign of the Nigeria Immigration Service website, managing sprint cycles, daily stand-ups, and on-time milestone delivery.
- Built a secure authentication system (login, registration, password reset) using React.js, Node.js/Express.js, and MongoDB with role-based access control.
- Translated high-fidelity Figma designs into responsive, accessible interfaces using React.js and Tailwind CSS, improving accessibility scores by 40%.
- Validated and debugged backend endpoints via Postman; maintained code quality through Git branching, pull request reviews, and commit hygiene.

Frontend Developer Intern — HNG 13 Internship

2025 | Remote

- Built a full-featured ticketing application with advanced state management, component composition, and interactive UI patterns.
- Developed the Audiophile e-commerce platform in Next.js and TypeScript with dynamic product filtering, cart persistence, and optimised checkout flow achieving sub-2s page load times.
- Built a responsive, accessible profile card component following semantic HTML best practices.
